REFERENCE LETTER

AGP METRO POLAND declares that the company BAKS Kazimierz Siekelski was the main and the only provider of supporting structures for the cables to the construction of the Central Section of the II Metro Line in Warsaw.
Delivered products were characterized with high quality and have all the necessary certifications.

On the basis of the finalized investment, we would like to express our appreciation on the cooperation with BAKS both for commercial and technical aspects.

Sincerely yours,

Francesco Paolo Scaglione
